**SUBJECT: COVID-19 Outbreak - Notice of Mission Essential Work for Government Contractors in the States of Washington, Oregon, and Idaho**

This Notice designates all work associated with the Contract listed below as ESSENTIAL CRITICAL INFRASTRUCTURE WORK for the U.S. Army Corps of Engineers, Walla Walla District, during the COVID 19 Outbreak. This Notice applies to the below listed Federal Government Contractor, AND all associated subcontractors and personnel performing under the following contract:

Federal Contractor: RICE, LILLIE CENTER INC  
Project: MCL - Janitorial & Grounds Maint.  
Contract No.: W912EF17C0001

Pursuant to Proclamation 20-25 by the Governor of Washington on March 23, 2020, this work qualifies under Emergency Sector-Essential Workforce-Public Works for operation, inspection and maintenance of dams, locks and levees listed in the Appendix to the Governor's Proclamation.

Similarly, the contract work referenced above is essential Government work in compliance with Presidential Emergency Declaration, dated March 13, 2020, for Water Control of Dams and Power Generation, and with Oregon Governor Executive Order No. 20-12, dated March 23, 2020 and any future State "stay-in-place" order or proclamation supporting the critical and mission essential work by the federal government during the COVID 19 Outbreak.

Personnel in possession of this Notice are considered to be mission critical to the execution of the Corps of Engineer's infrastructure mission. If you have any questions regarding this notice don't hesitate to contact your COR or ACO. If you cannot reach them, you should contact the contracting officer at 509-527-7214 or email address.

Sincerely,

MORGAN.HILLAR
